

daily GOOD

All we have to decide is what to do with the time that is given to us
--Gandalf- Lord of the Rings

Risk something for love

It was never going to be easy for the American sergeant and the Iraqi doctor who fell in love in Baghdad - he was kicked out of the army and the country and she was threatened in the street. But now the couple, who married last August and haven't seen each other since, are to be reunited.

Be The Change:

Take a risk, for love.
