

## daily GOOD

He who can reach a child's heart can reach the world's heart. --Rudyard Kipling

### Helping Children in China

Most of the children arriving at Tim Baker's doorstep, in China were abandoned because of physical problems. When Tim and his wife moved to China 15 years ago to teach English, they also volunteered at a local orphanage. But they wanted to "do more" and so now, Tim is helping build a "children's village" that takes in unwanted babies and gives them a chance at adoption.
