

## Everything Is Waiting For You, by David Whyte

Your great mistake is to act the drama  
as if you were alone. As if life  
were a progressive and cunning crime  
with no witness to the tiny hidden  
transgressions. To feel abandoned is to deny  
the intimacy of your surroundings. Surely,  
even you, at times, have felt the grand array;  
the swelling presence, and the chorus, crowding  
out your solo voice. You must note  
the way the soap dish enables you,  
or the window latch grants you freedom.  
Alertness is the hidden discipline of familiarity.  
The stairs are your mentor of things  
to come, the doors have always been there  
to frighten you and invite you,  
and the tiny speaker in the phone  
is your dream-ladder to divinity.

Put down the weight of your aloneness and ease into the  
conversation. The kettle is singing  
even as it pours you a drink, the cooking pots  
have left their arrogant aloofness and  
seen the good in you at last. All the birds  
and creatures of the world are unutterably  
themselves. Everything is waiting for you.
