

daily GOOD

Failure's hard, but success is far more dangerous. If you're successful at the wrong thing, the mix of praise and money and opportunity can lock you in forever. --Po Bronson

What Should I Do With My Life?

What Should I Do With My Life? It's a question that haunts many of us, especially in regards to work. Po Bronson, who wrote a book with that title, posits that the answer to that metaphysical question lies in finding meaning in work and life, then deciding what values are essential in the latter and making sure they're in sync with the former.

Be The Change:

Reflect on what you value today and assess how integrated those values are in your life.
