"Feed Me Bubbe": Not Your Usual Cooking Show

The Internet is full of some amazing and impressive technological feats. However, sometimes, very simple things have just as much, or more, impact. "Feed Me Bubbe" is a heartwarming collection of videos of an 83 year old Jewish grandmother and her loving grandson. "Bubbe" shares recipes in her cooking videos, but she also shares stories, life lessons, and advice. Watch this video interview of this cooking duo, and learn how their simple cooking show has touched so many lives.
