Why Wise Leaders Don't Know Too Much

"Could it be that knowledge is overrated? Don't get me wrong -- knowledge is a good thing. But there is a point at which it may be bad. Even the sturdiest shelf crumbles under the weight of too many books." In this thought-provoking article, Jeffrey M. Stibel, an entrepreneur and brain scientist shares more about the 'knowledge trap'.

Be The Change:

Do you have knowledge that you are not putting into action because you are waiting for more knowledge? This week translate that knowledge into action ... and perhaps wisdom will arise from the experience.
