

daily GOOD

True art selects and paraphrases, but seldom gives a verbatim translation. --Thomas Bailey Aldrich

A 19-Year-Old Artist's Book Of Untranslatable Words

When you start with a heartfelt offering, you never know where life may take you next. Read on for the tale of Ella Sanders, whose creative illustrations about untranslatable words grew from a blog post into a published book now out from Random House. You'll also get a sampling of some marvelous, untranslatable words from around the world. Like Mangata -- Swedish for "the road-like reflection of the moon in water."

Be The Change:

What's getting lost in translation in your life? See if there's another way you express yourself today.
