

daily GOOD

Nine-tenths of education is encouragement. --Anatole France

Educate the Heart

Poet and author Shane Koyczan narrates this poignant short video on the importance of educating children's hearts as well as their minds. While children need knowledge to prepare them for life, those who love and care for them must also educate their hearts. Teaching compassion, acceptance, tolerance and respect are needed along with knowledge to adequately prepare children for the world.

Be The Change:

Intentionally model compassion, acceptance and respect for the children in your life.
