

daily GOOD

What we sow is what we reap. When we choose actions that bring happiness and success to others, the fruit of our karma is happiness and success. --Deepak Chopra

Karma Army

Karma Army. That's what he called his accidental group. After posting an ad in the paper to "join me", Danny Wallace had 4000 passport photos of possible members but no purpose. Then his mission hit him -- acts of kindness. Every member has to sign The Good Fridays Agreement where you agree to carry out a random act of kindness for a complete stranger, each and every Friday!

Be The Change:

Do an act of kindness. Learn about 'smile cards'.
