

daily GOOD

In every community there is work to be done. In every nation, there are wounds to heal. In every heart there is the power to do it. --Marianne Williamson

Neighborhood Day

National Neighborhood Day is the second Sunday of every September, this year on Sep 12th. It was established as an annual day to recognize and reinforce the relationships that are the fabric of all communities -- our neighbors! It is a day of simple gatherings of neighbors to re-ignite friendships; welcome new neighbors; catch up on each others' families, interests and needs; and share food, fellowship and fun.

Be The Change:

Organize a gathering in your neighborhood.
