

daily GOOD

There is a wonderful mythical law of nature that the three things we crave most in life -- happiness, freedom, and peace of mind -- are always attained by giving them to someone else. --Peyton Conway March

Fairy Godmother

Shannon Engelbrecht, a.k.a the fairy godmother of real estate, is in the business of helping families purchase homes in San Francisco's high-priced market. After cashing in her stock options at the technology company she worked for, she decided to invest her small fortune in a way that was socially conciouss. By purchasing the buildings herself, and then providing her tenants with a lease-to-own contract she has given families a chance of realizing their dreams.
