Success is not the key to happiness. Happiness is the key to success. If you love what you are doing, you will be successful. --Albert Schweitzer

Bhutan

King Wangchuk of Bhutan, created a novel development plan three decades ago, mandating that his country's success be judged in part by the degree to which it makes the Bhutanese citizenry happy. Yes, happiness. The result is a kingdom that has peace, an intact Buddhist culture, unspoiled forests and mountains, and one of the fastest growing economies in Asia.
