Life is a gift of nature; but beautiful living is the gift of wisdom. --Greek Adage

1 Piece of Advice
Patricia Moser-Stern and Barbara Moser knew there were plenty of successful women with advice to share when they decided to pen their book, 1 Piece of Advice. But the Markham cousins say the process of gathering almost 50 examples of remarkable women gave them even more inspiration. "There were these women across the globe that have achieved so many things ... stories so amazing, but we didn't even know," Patricia said. The stories of these women, and their one piece of advice for others, are now available in the cousins' recently-released book.
