

daily GOOD

There is no path to truth, it must come to you. Truth can come to you only when your mind and heart are simple, clear, and there is love in your heart; not if your heart is filled with the things of the mind. --J. Krishnamurti

Approximately 1/3 of the estimated 600,000 homeless people in the US have a severe mental illness.

Be The Change:

Avoid stereotyping people. Treat everyone you meet with a simple and loving heart.
