Bring love into your home for this is where our love for each other must start. --Mother Teresa

Twenty-four percent of all families raising their own children under 18 were headed by a woman with no husband living at home, compared to 22 percent in the 2000 census. The survey also found a slightly lower share of all families with their own children headed by married couples -- 70 percent, compared with 72 percent in the census.

### **Be The Change:**

Let the good moms and dads of the world know how much they are appreciated. Give them a breather -- volunteer some of your time to babysit.
