

## daily GOOD

We were talking-about the space between us all  
And the people-who hide themselves behind a wall of illusion  
Never glimpse the truth-then it's far too late-when they pass away.  
We were talking-about the love we all could share-when we find it  
To try our best to hold it there-with our love  
With our love-we could save the world-if they only knew.  
Try to realize it's all within yourself no-one else can make you change  
And to see you're really only very small, and life flows on within you and without you.  
We were talking-about the love that's gone so cold and the people,  
Who gain the world and lose their soul-they don't know-they can't see-are you one of them?  
When you've seen beyond yourself-then you may find, peace of mind is waiting there-  
And the time will come when you see we're all one, and life flows on within you and without you.  
--George Harrison
