We were talking-about the space between us allAnd the people-who hide themselves behind a wall of illusionNever glimpse the truth-then it's far too late-when they pass away. We were talking-about the love we all could share-when we find itTo try our best to hold it there-with our love-we could save the world-if they only knew. Try to realize it's all within yourself no-one else can make you change And to see you're really only very small, and life flows on within you and without you. We were talking-about the love that's gone so cold and the people, Who gain the world and lose their soul-they don't know-they can't see-are you one of them? When you've seen beyond yourself-then you may find, peace of mind is waiting there-And the time will come when you seewe're all one, and life flows on within you and without you. --George Harrison
