In Anishinaabe languages of Skywoman, our words for moss, aasaakamig and aasaakamek, carry the meaning those ones who cover the earth. --Robin Wall Kimmerer

Ancient Green: Moss, Climate and Deep Time

"Taking a long view of life on Earth, Robin Wall Kimmerer (author of 'Braiding Sweetgrass,') explores how mosses--ancient beings who transformed the world--teach us strategies for persisting amid a changing climate.

Be The Change:
