

Infinite Potential: The Life and Ideas of David Bohm by Imagine Films

INFINITE POTENTIAL takes us on a mystical and scientific journey into the nature of life and reality with David Bohm, the man Einstein called his “spiritual son” and the Dalai Lama his “science guru.” A physicist and explorer of Consciousness, Bohm turned to Eastern wisdom to develop groundbreaking insights into the profound interconnectedness of the Universe and our place within it.

This film is presented free of charge for a limited time by the Fetzer Memorial Trust and Imagine Films.

Krishnamurti, Bohm and the Edges of Transcendence

The conversations that took place between David Bohm and Jiddu Krishnamurti over a quarter of a century produced both meaningful insights and guidance on the cause and resolution to many of humanity’s problems. Krishnamurti was one of Bohm’s greatest influences. Both men were concerned about our future and the source of humanity’s incoherence and together searched for answers. More...
