When health is absent, wisdom cannot reveal itself, art cannot manifest, strength cannot fight, wealth becomes useless, and intelligence cannot be applied. --Herophilus

Grand Challenges

Who would ask experts to list the top 14 challenges that, if solved, would advance the prevention and treatment of diseases that affect the 2 billion poorest people on earth, then ask the world's best scientists to develop solutions to those challenges, then fund 43 of those solutions with half a billion dollars? The Bill & Melinda Gates Foundation's Grand Challenges in Global Health.
