Here is a test to find whether your mission on earth is finished: If you're alive, it isn't. --Richard Bach

Meet a very special group of puppets. They dress and act like real children. Like real children, each one has definite likes and dislikes, hopes and fear, talents and limitations. And, like real children, some have differences like mental, physical or emotional disabilities, and some have lives touched by abuse, drugs or divorce. Together, the Kids on the Block form the core of a unique and exciting education program.

Be The Change:

Do something kind for a kid -- especially one who's had some tough times.
