Dogs are not our whole life, but they make our lives whole. --Roger Caras

Love at First Sight: K9s Online

12,000 animals come through the doors of the Humane Society of Utah every year, all of which are in need of a new and loving home. Help has come in the form of an unlikely team member, a photographer who is working wonders at uniting man and his best friend. Guinnevere Shuster's "photo booth" style portraits do a much better job of capturing the personalities of the dogs than standard snapshots, resulting in over 90% of the dogs finding their forever homes.
