But one thing is certain:  
If we merge mercy with might,  
and might with right,  
then love becomes our legacy --Amanda Gorman

### **Amanda Gorman: The Miracle of Morning**

Amanda Gorman has achieved many firsts, including being the first-ever National Youth Poet Laureate in the United States at age 19. On January 20, 2021, the 22-year-old Gorman read at the inauguration of President Joe Biden. What follows here is a video of her reciting "The Miracle of Morning," a poem written several years ago "when hurricanes, hate crimes, and deportations were some of the many crises in our headlines." The poem now re-emerges during a pandemic, each line filled with words of hope for a golden morning.
