

daily GOOD

Great things are done by a series of small things brought together.
--Vincent Van Gogh

A Day with the Langs

For over twenty years artists Richard Lang and Judith Selby Lang have been collecting plastic trash washed up on a pristine beach in Point Reyes National Seashore. Their meditative practice, and the art they make from the collected detritus, is a small song of hope in the face of the worldwide blight of single-use plastic.

Be The Change:

What creative thing might you do with the throwaway plastic that passes through your hands?
